New Spring/Summer Styles

SUNRISE, Flare

STORM, Swell

STORM, Bounce Stripe

Chilewich brings depth to surfaces.

Reimagining the potential of extruded yarns, New York designer Sandy Chilewich introduced her woven textiles to the international design community in 2000. Today her design-led company's unique coverings for tabletops, floors, and more continue to push the boundaries of form and function. Made almost entirely in the United States, the ever-evolving collection combines innovative weaves and distinctive colors with extraordinary durability and easy maintenance.

Product Information

TerraStrand®

We are committed to continuous improvement, both in product and in process. Among our most significant environmental advancements is discontinuing the use of petroleum-based plasticizers that are typically used to soften PVC yarns and replacing them with phthalate-free, renewable vegetable compounds. We call these innovative yarns TerraStrand.

- TerraStrand, the proprietary name of our yarn, is 100% phthalate-free.
- TerraStrand contains 25% renewable vegetable content.
- TerraStrand is now used in more than 90% of our woven products.
- Every square yard of TerraStrand saves 0.02 gallons of petroleum and 0.41 pounds of CO₂ as compared to conventional woven vinyls.

All of our woven placemats and floor mats are made in the USA, and finished in our own facility in the USA. Our quality, sustainability, and original design set us apart from all others.

The Chilewich® collection is made in the USA, with the following exceptions: Bloom, Dahlia, and Sea Lace made in Taiwan.

Chilewich prides itself on originality. We specialize in the design and manufacture of woven vinyl textile products for both residential and commercial use. Vinyl is extremely durable, easy to maintain, and provides us with endless creative possibilities.

Unlike many tabletop products, our textiles can be easily washed with just water and biodegradable detergents, helping to reduce energy expenditures and laundering costs while maintaining a unique, elegant aesthetic.

Our woven vinyl products also contain Microban® antimicrobial protection. This is particularly beneficial for the home and hospitality markets. Microban® works continuously for the lifetime of the product to inhibit the growth of stain- and odor-causing bacteria, mold, and mildew. Chilewich fabrics are covered by the GreenGuard® program certified by the GreenGuard® Environmental Institute, which protects human health and quality of life through the reduction of chemical exposure and improved indoor air quality.

PROTECTING ORIGINAL DESIGN ACROSS NORTH AMERICA.

Chilewich is pleased to participate in Be Original Americas: an association of like-minded brands, consumers, design professionals, educators, and institutions that recognize the importance of original design and are committed to the protection of its consumers and authors.

We are passionate about offering something new, whether it's a novel application, an innovative process, a repurposed technique, or a fresh juxtaposition of textures and colors.

Care Instructions

Placemats and Runners

Simply wipe clean with soap, water, and sponge. Air dry. Do not iron. Do not machine wash.

Woven Floor Mats

Best suited to dry surfaces. Vacuum or mop face of mat to clean. Air dry thoroughly. Occasionally lift and air out. **Heddle:** Do not iron or machine wash. In case of wrinkling, steam lightly using a handheld steamer.

Shag Floor Mats

Vacuum, shake out, or hose off to clean. Hang to dry. Occasionally lift and air out.
